Terms and Conditions

Eligible for purchases made between 01/01/2011 and 12/31/2011. Equipment must be installed by a licensed contractor at the customer's address listed on the rebate application. Prior to honoring any rebate, Cape Light Compact may conduct an on-site verification that the equipment was installed and operating satisfactorily. This on-site verification does not include any kind of safety review. Cape Light Compact does not endorse, guarantee or warrant any particular contractor, manufacturer of product installation. Rebate program is subject to change without prior notice, and rebate offers may increase or decrease at any time. Cape Light Compact is not responsible for any tax liability which may be imposed as a result of receipt of rebates by Cape Light Compact to the customer. Cape Light Compact is not responsible for any loss or damage that may be caused as a result of the installation of the equipment.
