Program Guidelines

(Qualified thermostat is an Energy Star labeled or 7 day programmable thermostat)

- Must be a natural gas heating customer of a participating GasNetworks utility company to be eligible for rebate
- Must purchase a qualified programmable thermostat
- Rebate amount not to exceed purchase price
- Limit two rebates per account. Additional rebates require preapproval
- Residential and commercial customers are eligible
- Qualified Programmable thermostats purchased from Jan. 1, 2011 through Dec. 31, 2011 are eligible for rebate
- Rebate form must be filled out completely with dated receipt and original UPC code and received by GasNetworks within 60 days from purchase date.
- Program subject to change without notice

Older thermostats may contain mercury and should be disposed of properly. For more information on mercury and proper disposal visit www.epa.gov/mercury

Complete and mail this form, along with a copy of your receipt with the Qualified programmable thermostat purchase circled (receipt must be dated on or after Jan. 1, 2011) and original UPC code from the package to:
